NEW RATES & ONE-TIME BILL CREDIT

Effective as of June 28, 2019

On July 5, 2018, Farmers Water Co. (“FWC” or “Company”) filed a rate application with the Arizona Corporation Commission (“Commission”). The Company requested rate adjustments that would produce just and reasonable rates of return. At the conclusion of this rate proceeding, the Commission issued Decision No. 77269 on June 27, 2019, authorizing increases to the monthly usage and commodity charges requested by Company. These rates and charges will be effective for all service provided on and after June 28, 2019.

The approved rates will increase the monthly bill for the median 5/8 x 3/4-inch meter residential customer with usage of 4,500 gallons by \$2.33 (or 15.10%), from \$15.40 to \$17.73.

In addition, pursuant to the Commission’s decisions on Tax Act Policy and Pass-Through Policy, FWC shall, no later than August 1, 2019, issue a total income tax refund of \$8,322. The refund shall be as a **one-time bill credit** to each customer based on meter size in the amounts shown in the One-Time Bill Credit Table below.
